# MATCH DAY PROGRAMME

Welcome to the Olympic Dave Arena,

Last week was generally speaking not a good week for the club so we move onto brighter things this weekend hopefully!

The highlight on Saturday and on Sunday was the Womens 6th XI winning 5-0 and 3-0. I caught some of the Sunday game and it was a real pleasure to see Naomi dominate midfield and Natasha, who was Social Secretary when I joined the club fifteen years ago, bossing it up top. It was a delight to see a team that was a blend of experience and youth, working together and having such fun. A big thanks to Hatti who took time out of her Sunday to help make that game happen in extraordinary heat! I will also say it was a delight to see my old Ely clubmate Holly Radcliffe get her maiden goal for CCHC this past weekend!

The womens 1s had a frustrating 2-2 draw against fellow table toppers St Albans. The draw gives Repton a sniff of catching up a bit so this Saturday's game away to Repton is vital. With the W1s in mind happy 18th to everyone's favourite defender, Charlotte! Charlotte has been with us from youth team to 1st XI. She is a lovely person, a brilliant player and well loved by all of us. Congratulations also to Holly on her 1st XI debut ! I hope to get a chance to see the squad play soon but can take great comfort in the results and Emily McStea's weekly highlight package on Instagram!

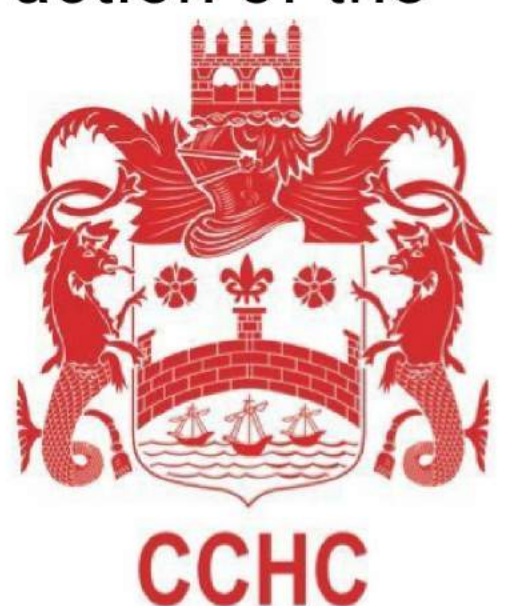

The mens 1s had a disappointing loss at home to Olton & West Warwickshire. Conor Annand bagged two nice goals and there were a lot of reasons for optimism with plenty of penalty corners in our favour. Nat clearly has learnt a thing or two from his wife Hannah, chasing down every ball and set up a brilliant second goal for Conor. The product of Nat's massive shift. What was definitely a positive was the big crowd at the Vicki Franks "Stan"d cheering the team on, more of this please!

Off pitch my thanks to Geoff, Jacob and Anna who were instrumental in organising a successful game of "Ou est le poulet?" last weekend. It was well attended and the photos will burn eternal in our memories!

Our umpires today are Neil Smith and Matt Claxton, our Match Official is Matt White. I hope all three of you have enjoyable games and everyone behaves!

I want to take this opportunity to wish a speedy recovery to our NPUA colleague who fell ill in the City of Peterborough v Barford Tigers game last week. We are all grateful to the quick action of the players on pitch and the spectators to ensure the best possible outcome.
