Fundraising for amazing people!

We are fundraising to support our goalkeepers. As you probably know the kit for keepers costs a lot and the club wants to support kids in beginning their goalkeeper journey. We have had some brilliant keepers such as European Gold Medalist Steph Tirrel, Polly Oakman, Ben Knights and Guinness - we want to keep that history of great keepers going! If you can afford to donate please do via the link or QR code to the right: <https://t.co/TvU4VWIKXN>

Welcome to the Olympic Dave Arena,

It's been a while! I hope I don't miss anything out but it will be a lot to cover!

We are one of many clubs across the country frantically squeezing games in ahead of the restart due to the lack of slip dates. Thanks to the committee and team managers for their support in getting today's game to happen. Thank you also to the NPUA appointers who have had to work so hard to cover these games in the small window permitted. Hopefully next season a more sensible calendar will materialise!

Over the break we have seen a lot of success and good news stories. A number of our current players have made the NAGS squads including Holly Hartley, Ethan Smythe & Evie Younger. We have also seen CCHC alumni retained or rejoin the senior and EDP squads. Well done to James Albery, Maddie Axford, Meg Crowson, Katie Curtis, Tess Howard and Tom Spreckly. Tess has also picked up the Times Women in Sport Change Maker Award, and been named in the Telegraph top 50 most influential women in sport! Good luck as well to Panos and AJ2 who are facing one another in the EuroHockey indoor! I'm sure you will play in good spirits and share a drink together afterwards! And congratulations to Griff who will be making her Masters International Debut for Wales soon, a lovely achievement having received her official Welsh senior cap in the summer.

Welcome back to Amy Edwards who returned to training recently after a lengthy injury layoff. Amy has returned looking sharp as a whistle and straight back into things! She is a very welcome return and I am sure she will be joined by Emily soon enough.

I should take the chance to thank everyone who turned out for the Elves v Santas game! It ended up around 14 a side and my thanks also to Sally and Tess who kindly took up the whistle to facilitate a great game. The "no excessive dribbling" rule was well received and we should perhaps lobby East to apply this at all levels of hockey!

We have had a few games take place already this year. Sarah Lambert has continued her absurd goalscoring form though Laurel has told me I can't say anything until it's too late for the 4s to pick her this weekend! Dr Pants scored one of the best goals I've ever seen from a CCHC player as the O35s smashed seven past IES. The Mens 3s and 4s had a really well spirited and good honest game with one another, with the 3s edging it 1-0. The W3s win over Norwich was a real delight to witness too. Not a bad start to 2024, long may it continue!

Today we welcome back Tom Spreckly who is out on loan to Loughborough. I hope that while he is having a good season overall he could perhaps leave some of the shine off his game today! Our umpires today are Chris Pelmore and Jack Harris. Two great chaps who are at the top of their game. We are lucky to have them. Congratulations also to Bex, Spud, Rach, Nick & Paul who have been at the ongoing Olympic Qualifiers. Chris & Jack are joined by Matt White, our Match Official. I hope you all have a great day and thank you for taking the time to ensure our game can be played!
