

Open the Teamo App

Open your **Profile** – on the home page double tap your icon top left

Then select the 'Add Family' icon

Select **Add Child**

Follow the instructions on the registration screen to register your child.

If you are a parent/guardian registering an U6 - U14 Age Group player, please do not enter a mobile telephone number or email address for your child. Please leave those fields blank – communication in these age groups is with parents/guardians only.
