MATCHDAY PROGRAMME 2023/2024

MATCH DAY PROGRAMME

Welcome one and all to The Olympic Dave Arena!

Today our women's 1st XI host Bedford. Many of our club have had the pleasure of playing in Bedford's summer league and know their threat well. They have some phenomenally talented players such as Eli, Kate, SJ and Kelly amongst others who are a match for any player. I'm sure it will be a great game between two competitive teams.

This provides a great segway to congratulate our own players, as well as Bedford's, on their success in this summer's Masters Internationals. A number of current and past CCHC players, as well as some of Bedford's won medals and took part. Well done to all!

Other past and present CCHCers have been in International action this summer. James Albery was part of the brilliant England men's team who were cruelly denied gold at the European championships. It's been a pleasure to see Albs grow and mature. Tess Howard had a solid performance for England too, producing some brilliant goals. Katie Curtis also made her senior International debut in Spain. Rhodri Furlong, Ellie Laitey and Becca Daniel were in action for Wales and had good campaigns, notably the Welsh men drawing with world champions Germany! In the NAGs Tom Spreckley graduated from U18 to U21 England very quickly while Amie Hunt and Evie Younger have also had honours.

I'd like to congratulate Alex Bibby on his appointment as Womens Head Coach. Having umpired him a number of times and propped up one or two bars with him I have no doubt of his passion and the ambition he has for the squad.

This is also a good opportunity to wish Hannah Bloy good luck at her new club. Hannah has been a CCHC player for a fair while and I was sad to hear she was on her way. She's an exceptional talent and a lovely person. Hannah is someone I encouraged players to watch and learn from. She's fierce and she's so skilful. She will be missed but hopefully we will see her down the road again soon.

Last week the women won 4-1 away to Cannock, not an easy place to go but a good taste of what Midlands Conference is. May Busher had her first ever national league goals and it's always a pleasure to see someone progress through the teams and achieve success for us in our 1st XI.

Today's umpires are Tanya Sargeant and Paul Sexby. It's wonderful to see Tanya join the NPUA, she is a promising young umpire and a very handy player herself, as well as coaching St Neots men - clearly a very talented woman! Paul and I have umpired together a number of times, he has done a great deal for East hockey on and off the pitch. I am sure the two of these umpires will facilitate a great game of hockey. They are ably supported by Dilip Goyal who makes his debut as a Match Official, I am certain his obsessive attention to detail will pay off!

I hope all have a great season and fingers crossed catch you pitch-side soon!
