20/04 Annual Dinner

Welcome to the Olympic Dave Arena,

This weekend our W1s will be hosting Cannock in a rearrangement due to the cold weather we had before Christmas. We've had some more postponements recently so again my thanks to the committee, managers / coaches, volunteers and officials for getting bride games rearranged within the right time frames permitted.

Last weekend the womens side of the club lead the way again. The womens O35s put 11 goals (not a typo) past Pelicans in a display of liquid hockey. Pretty much every type of goal was scored. Please get down to support them on 11 February when they host Ipswich, they are a brilliant team who capture all that is good about hockey! The day before many of them faced one another in the W5 v W4 game. The game was played in a good spirit and all involved should be proud of how they conducted themselves in what could have been a very difficult game.

Congratulations to Ben and Henry who umpired the inter club league game. Despite Chuck Norris' shanter on the sideline you did brilliantly and passed your L1 assessments! Big thanks to Tim and Rob Lewis who do a lot to make sure that all our games are umpired, and secondly that we get so many umpires assessed for Level 1! Talking of Chuck, happy birthday you magnificent man!

The men had a less pleasant weekend, with only the 6s picking up a win and the 3s a draw. Hopefully training will help this past week!

Congratulations of course must go to Albs and Tess who helped GB qualify for Paris. Both of them have had some challenges thrown their way in the last few years but have come back more resilient and capable for it. The growth they've shown as leaders on the pitch is something else. Best of luck with the next few months ahead of selection!

Today we welcome Cannock, a club who's 1st XIs I've had the fortune to umpire a few times. They can deliver some excellent hockey and we are grateful to them for helping to develop our former W1s coach and M1s captain Henry Cavil, I mean Ross Hayward! A man who set the standard for fitness, composure and professionalism when he was with us. He continues to do this at The Perse today, helping hundreds of kids enjoy our sport.

This weekend Boo makes her 1st XI debut. Having joined us this season she has settled straight into the elite performance environment and performed brilliantly in East Prem. I am confident with her brilliant attitude and strong basics she will thrive in national league! Congratulations and enjoy!

Our umpires today are Donovan Rothman and Mark Oldfield. This is Donovan's second trip to Cambridge in a week having umpired South O35s last weekend. Hopefully he will oversee another home team win! Mark and Donovan are fantastic blokes who always umpire with a smile on their faces and do their absolute best for the players. We are lucky to have them.

All the best to everyone this weekend,

Simon Webb

A rare photo of Mullers not smiling. But he did pick up the Stephen Mulligan Prize for Being Stephen Mulligan, so not a total disaster.

Fundraising for amazing people!

We are fundraising to support our goalkeepers. As you probably know the kit for keepers costs a lot and the club wants to support kids in beginning their goalkeeper journey. We have had some brilliant keepers such as European Gold Medalist Steph Tirrel, Polly Oakman, Ben Knights and Guinness - we want to keep that history of great keepers going!
