- Be netball ready – hair tied back, no jewellery and nails short and smooth.
- Respect the decision of the coaches in team selection and match rotations.
- Inform coaches with reasonable notice if not available for training, matches and events, so that alternative arrangements can be made in good time.

Parents

The club recognises that without the goodwill and support of Parents/Carers, young people would not be able to take part in a sporting life. The club makes every endeavour to promote netball in a positive way and parents/carers are therefore requested to adopt the following code.

Remember that all club coaches and officials operate on a voluntary basis and any help you can provide will be very gratefully received.

Parents/Carers should:

- Ensure Players are on time for training, matches and events, not least because all players must sufficiently warm-up with their team mates before any drills or matches.
- Ensure Players are picked up on time from training, matches and events.
- Advise coaches of any injuries that will prevent players from participating in training and or matches.
- Vocally encourage good and fair play and respect opposing teams and supporters.
- Accept the umpires' decision.
- Have a realistic expectation of your player and be aware of their aims and goals.
- Be encouraged to notify coaches of any injuries, medical or personal problems, so that the highly experienced coaches of young people can act with the right balance of care and sensitivity.
- Inform the club with adequate notice when players are not available for training, matches or events.
- Be encouraged to discuss any concerns about individual players' needs.
- Report any concerns you feel unable to address directly with the coach/volunteer with the Club Safeguarding Officer (Angie Syrett).
- Abide by the Constitution of the Club.

Parent or Carers are encouraged NOT:

- To make negative remarks to players, officials or other spectators.
- To coach players during competition.
- To smoke on or around court areas.
