

Junior selection criteria

Managers select junior teams using their own best judgement, informed by the following criteria:

- **Age**
So that players gain experience at an appropriate level
- **Skill level**
So that players are provided with suitable opportunities
- **Attendance**
So that commitment to regular practice is rewarded
- **Behaviour**
So that everyone can enjoy practising and playing

Junior players can only be considered for selection if they and at least one parent or guardian are club members.
