Parents have a big responsibility as part of the Respect programme. Respect is working to eradicate touchline abuse in football, and parents can play their part by agreeing to, their club's Code of Conduct and abiding by them throughout the season. Parents also have a responsibility for their children's behaviour. The players will be asked to sign a Code of Conduct, and parents can encourage their children to adhere to the players' code.

This code applies to all Parents & Spectators.

- Always give positive support;
- No abusive language to Coaches/Officials;
- Respect the decision of the Team Managers/Officials;
- Respect the referees decision;
- Give encouragement to everyone;
- Give attention to each of the children involved in football, not just the most talented;
- Avoid coaching the children from the sidelines;
- Applaud the opposition as well as your own team;
- Ensure children arrive at training/matches on time & that they are ready to start;
- Ensure that children are collected at the given time, and advise coaches of any other parties collecting the children;
- Ensure that the club is made aware of any medical conditions, and provide contact numbers in case of emergencies;

CLUB AND LEAGUE OFFICIALS The Respect programme relies on clubs and leagues to take active steps to ensure high standards of conduct throughout their club or league. Borough Green Juniors Football Club officials sign up to and enforce Codes of Conduct for their players, coaches, parents and spectators, which will set the standard for behaviour throughout their club.
