Borough Green Juniors Football Club aims to make a positive contribution to the personal, social, physical, technical development and health of all players.

By providing a safe, enjoyable, learning environment, individuals will be given the opportunity to express themselves whilst being challenged to maximise their potential.

In pursuit of this goal; we will help each player to be the best that they can be, and a collaborative effort will ensure we are 'one winning team'.

Our Vision

Our vision serves as the framework and guide for us to deliver our mission statement.

- ENJOYMENT

We will put the development and enjoyment of the team and players before the result.

- OPPORTUNITY

We will give every child the opportunity to develop through match day and training experiences.

- POTENTIAL

We will help players achieve their full potential.

- ENVIRONMENT

We will provide a positive environment.

- PEOPLE

Through the power of football we will try to develop good, responsible young people.

- DEVELOPMENT

Over the course of the football season we will ensure players have the opportunity to develop a number of experiences by rotating positions, formations and using varied tactics.
