

Size Guide

SIZE GUIDE:

Our fit first engineering ensures you get the very best fit with our kits, that are enhanced for maximum performance. Created with the latest fabrics and design technology, our kit has an athletic cut. Made with soft-handled, breathable fabric that has strong wicking capabilities, we offer an array of versatile jerseys and shorts in various styles to compliment your build and heighten your performance levels.

We offer onsite sizing sessions at your convenience, in order to find the perfect style and fit for your playing teams. If you can't attend a sizing session, we will send out a sizing bundle to your club.

MENS SIZING

Shirt Size

Measure your chest by wrapping the tape measure under your armpits around the fullest part of your chest (A). Make sure the tape measure is snug, not so tight that it constricts breathing but not so loose that the tape measure slides down. Please ensure that you stand normally and avoid puffing out or flexing your chest.
