

INTERNATIONAL CRICKET TOURS

Proposal for Penn Street Cricket Club St Lucia

Please see below a proposal for your tour to St Lucia.

Within this quote I have included a mix of match days for cricket as well as days at your leisure, so that everyone can use this as a chance to relax, as well as it being a cricket tour in one of the best touring destinations in the world.

The 3 match days that I have included will be hosted at various ground on the island, including the Darren Sammy Cricket Ground.

When you are having a day at your leisure, there are many day trips that can be done to fill your time. I have suggested some in your itinerary below. Everything from an island safari tour to a chartered fishing trip is possible!

There is plenty to keep yourself busy with in St Lucia, whether that be the bars and restaurants in Rodney Bay Village, or by spending some time on the beach at Rodney Bay itself.

One thing to note with St Lucia is that depending on traffic, the transfer to your hotel from the airport can sometimes take up to 1.5 hours.
