

Wilmslow Hockey Club

Inclusive and Accessible

Our Constitution rightly requires us to be open and inclusive to all members.

Our Constitution also requires us to make allowances for individuals who have “low or modest” incomes and cannot afford the cost of membership and playing. These provisions are visible on the website membership fees page (e.g. student membership, retired membership, unwaged membership)

Data Protection Policy

Our data privacy policy is on the website, at the foot of every page [here](#).

Membership management

WHC has been using Teamo for membership management since 2022 (previously ClubBuzz). Access to membership data is controlled in Teamo on a “least privileged access” basis – people only have access to what they need.

Example of access permissions in Teamo.
