# Introducing Connor High.

Connor is one of our recent Midfield recruits, who comes into the squad at a key time to help bolster our play-off hopes. We asked him for a few words following his transfer from Longridge Town FC.

At just 20-years old, Connor has already represented a number of clubs and gained valuable experience, including; Accrington Stanley, Clitheroe, Colne & Longridge.

Can you tell us about your preferred positions and style of play?

“I prefer to play as a holding midfielder, but am happy to play anywhere in Midfield. I love having the ball on the floor and being able to dictate the tempo of the match from back to front”

How have you settled in at Chadderton?

“Life as a Chadderton player has been top! We have been unbeaten since I arrived, so I hope we can continue that and carry on pushing up the league and into the playoff positions, its an exciting time at the club.

The lads have been very welcoming and its a great environment play in, I feel very comfortable here.

Hopefully we can carry on now and finish the season strong”

**The latest from First-team  
Joint-Manager Carl Taylor.**

“Hello everyone and welcome again to the Emplas Commercial North Stadium for what should be a cracking afternoon of football.

We head into today on the back of seven games unbeaten – a run we’re all very proud of but not getting ahead of ourselves. Last Saturday’s convincing win against Burscough was particularly pleasing; the lads showed real quality, discipline and togetherness from the first minute to the last.”

# View from the dugout

"It's been a positive few weeks, and the mood in the dressing room is the best it's been all season, but we know only too well that every game brings its own challenges and we can never take anything for granted.

This afternoon presents our biggest test yet. Wythenshawe come here sitting proudly at the top of the table and they've earned every point they've got. They're well organised, clinical and a confident team, so we're under no illusions - this will be our toughest test of the season. That said, we are quietly optimistic, if we can match their intensity, stay disciplined and play with the same spirit that's served us so well recently, then we believe we're more than capable of getting a result from today's game.

So let's get behind the boys from kick-off embrace the challenge together and with your support between now and the end of the season hopefully we can deliver what we set out to achieve from the start."

# Skippers' Thoughts

**A word from club captain Jacob Ngoy ahead of today's fixture.**

*"The last few weeks have been good for us and we are finding form at the right time, showing our quality with some of the recent results.*

*We need to keep going now, one game at a time, hopefully we can achieve our goal with a play-offs position.*

*Today's test will be difficult against a strong Wythenshawe side, but I am looking forward to the challenger and seeing how far we have come as a team.*

*Thank you for all your support in the recent weeks, it makes a huge difference to us - especially in the home games"*

## Today's Opponents ***Wythenshawe FC***

Originally founded in 1946 as Wythenshawe Lads' Club by Reg Gauntlet, a local window cleaner, gathering together a group of kids kicking a ball about in the street, started playing friendlies, held meetings with parents in a wooden hut in the grounds of Cringlewood House, Yew Tree Lane. They then set up home by hiring a room in an old farmhouse in Daine Avenue, Rackhouse. A couple of years later Noel Timpson, of Timpson Shoes, purchased two ex-WW2 Nissen huts and sited them within the farmhouse grounds.

Wythenshawe, their first kit being white shirts, black shorts, black socks, first manager Bob Collins, progressed through the Manchester Federation of Lads' Clubs League 1946-49.

In 1949 as the lads grew into maturity and no longer eligible for Lads Club football Harry Dalton developed them into 'The Ammies', changing their name to Wythenshawe Amateurs, managed by Jim Cooper, to provide football for all ages. Dalton was a Sheffield Wednesday supporter hence the Ammies royal blue & white striped kit.

They became members of the South Manchester and Wythenshawe League 1949-53 racing through the lower divisions, top goalscorer being Bob Halliday with an incredible 72 goals in season 1951-52, before securing the First Division Championship in 1953.

They then entered the Altrincham and District League 1953-54.

In 1956 Wythenshawe played Manchester United, including Bobby Charlton, in the Altrincham District FA - Whitaker Cup Final. This was a great day for Wythenshawe because not only did they hold a very talented United team to a draw but according to press reports at the time were quite as good as their opponents. After two lots of extra time the score was 1-1, the cup was shared with each team holding it for six months.

## Today's Opponents **Wythenshawe FC**

Climbing the football pyramid they were accepted into the Lancashire and Cheshire League 1954-72 winning the double in their first season, the Third Division 'A' and Hellawell Shield. Between 1955-57 they achieved the distinction of promotion in three successive seasons, 1955 Third Division 'A' champions, 1956 Third Division runner-up, 1957 Second Division champions. Also First Division champions 1962 and three time winners of the Rhodes Cup (1958, 1961, 1972).

They established themselves in the Manchester League in 1972-73 season, winning automatic promotion to the Premier Division by becoming champions of the First Division in their first season, three time champions of the Premier Division (1990, 1993, 2003) runner-up ten times (1980, 1985, 1992, 1994, 2001, 2002, 2006, 2010, 2017, 2018) and record winners (7) of the Gilgryst Cup (1986, 1987, 1990, 1999, 2001, 2009, 2018) twice finalist (1980, 1988).

Three time winners of the Lancashire Amateur Cup (1976, 1990, 1996) finalist six times (1982, 1983, 1987, 1991, 1993, 1994).

The club led a somewhat nomadic existence, playing their games at Cleveland playing fields 1946-49, Wythenshawe Park 1949-58, The Christie playing fields 1958-61, Federation of Lads' Club Ground Chorlton, later called Harry Dalton playing fields 1961-83, then in 1983 they became tenants at Wythenshawe Cricket Club, Longley Lane, albeit when the football and cricket seasons overlapped the club had to find alternative venues, Flixton FC 2015, St Paul's High School 2016-17, settling at Hollyhedge Park in 2017.

From season 1967-68 the first team took part in the FA Amateur Cup, which in 1974 became the FA Vase, in 1985 they reached the 5th round narrowly losing 2-1 away to the eventual winners Halesowen Town. The previous round saw the Ammies win 6-0 at home to Rushall Olympic before its then largest attendance of 255, tenfold their average, and producing their first ever match programme.

## Today's Opponents ***Wythenshawe FC***

The senior section alone have won over 50 trophies. In 1989-90 the first team, managed by Ray Mallalieu, achieved the treble by winning the Lancashire Amateur Cup, Manchester League Premier and Gilgryst Cup, while the reserves added the Second Division title and the Sunday team winning the Wythenshawe and District Sunday League Challenge Cup.

Although youth teams have sporadically existed since the Lad's Club days, In 1989 Stephen Hall and Jim Roberts formalised a Junior Section at the club, entering one team, Under 9's, in the Timperley and District Junior League.

The Sunday team started in the Wythenshawe & District Sunday League, winning the Challenge Cup in 1990, and winning the League Cup in 2003.

Due to a change to the FA's ground grading requirements in 1996 the club were no longer eligible to enter the FA Vase, on top of that, because they were not allowed to develop the cricket ground, they could not seek promotion in the National League System from the Step 7 Manchester League to the Step 6 North West Counties Football League.

Wythenshawe were not deterred by this setback and planning permission was granted by Manchester City Council in October 2007 to build a 150 seater floodlit stadium in Hollyhedge Park. Raising sufficient funds to build this facility, even to simply fence in the ground, was an ongoing challenge, being adversely affected by a recession.

In 2009 a women's team was formed, managed by Paula Mercer, in 2011 became champions of Cheshire & Manchester Women's League Division Two East and finalist in their respective cup, then transferred to the Cheshire Women's & Youth League.

## Today's Opponents *Wythenshawe FC*

In June 2011 the club changed its legal entity from an unincorporated association to that of a private limited company by guarantee, with charitable status. The company dissolved in November 2019.

The Sunday team re-formed in 2012, managed by Paul O'Keefe, immediately winning the double, Division 1 champions and cup winners, in the Altrincham Sunday League in 2013. In 2014 they joined the Stockport Sunday League, immediately becoming Division Four champions in 2015, Division Three champions in 2016 with a 100% win record, latter two seasons scoring 359 goals.

In July 2013 Committee member John Cotton noticed an article for a Budweiser £50,000 regional grant he felt the club could win, he passed the article to then Vice-Chairman Carl Barratt who took up the mantle. Fortune struck on Halloween that year, which changed the future of the club forever, when Barratt received the news that he was successful in winning the grant, this also enabled the club to compete against seven other clubs nationwide for an additional £100,000 in a public Facebook vote during February 2014, they obtained the most votes and secured the additional funds.

The club in 2015 introduced the 'John Walker Tournament', an annual nationwide summer festival of football for children and youths aged 7-17, attracting over 100 teams with over 1,000 players. A further honour bestowed upon 'Mr Wythenshawe Amateurs' was the naming of the main stand 'The John Walker Stand' in 2020.

The football and cricket clubs workable relationship, in its latter years, became strained and culminated in the Ammies being rendered homeless when evicted by the cricket club in May 2015 after 32 years use. The Hollyhedge Park Project was now, more than ever, an increasingly important chapter in the clubs future. Whilst the project was coming to fruition games were played at Flixton FC and St. Paul's High School, with hospitality at the Winston Conservative Club and Northenden Social Club.

## Today's Opponents ***Wythenshawe FC***

The penning of this crucial chapter recommenced in July 2016 when the club secured funding of £812,000, which included £382,317 from the Premier League & The FA, the £150,000 from Budweiser, £146,000 from the National Lottery, building work began in earnest in February 2017 for a clubhouse, new pitch, drainage, car park and fencing after a new long term lease was finally agreed with the council.

In March 2017 the club became a Community Benefit Society, its first Board of Directors being Basil Kabbani (Chairman), Carl Barratt (Vice-Chairman), Peter Andrews, John Cotton, Stuart Furnival, Ray Gibson, Stephen Hall, Neil Owen.

The stadium was completed in September 2017, the first match was played on 30th, drawing 1-1 v. Hindsford in the Manchester League, the 32 year old attendance record was broken with 277, itself subsequently surpassed. Further improvements brought the ground up to Step 6 standard and was officially opened on 6th May 2018 by former England & Manchester United captain Bryan Robson.

Promotion was gained in May 2018 when the FA allocated the first team to a restructured North West Counties Football League, this meant that the club was competing at semi-professional level for the first time, they finished a creditable fourth in the First Division South in their first season.

In 2018 the women's team finished runner-up in the CW&YL and promoted to the North West Women's Regional League, also entering the Women's FA Cup for the first time, beating Accrington Stanley at home 5-1 in the Preliminary Round then bowing out in the 1st Qual.Rd v. Accrington Girls & Ladies at home 1-3 before the women's then record attendance of 142.

## Today's Opponents ***Wythenshawe FC***

In 2019 the youth team entered the FA Youth Cup for the first time. In 2022 the youth development squad, managed by Brad Monks, became the club's first team to win a regional league division, champions of the North West Youth Alliance Development Division, and were also finalist in their respective cup in their first season. They also reached the FA Youth Cup, First Round Proper, losing 3-0 away at Bolton Wanderers.

In 2019 the first team returned to the national stage when they re-entered the FA Vase.

The following season 2020-21, they made their debut in the FA Cup, in the Extra Preliminary Round beat Shelley at home 4-2 in a memorable penalty shootout after a 1-1 draw in 90 mins, exited in the Preliminary Round v. Trafford at home 1-4.

The first full season, 2021-22, following two coronavirus pandemic hit seasons, managed by Shane Goldrick, they reached the NWCFL Division One South play-offs, losing to FC Isle of Man in the semi-finals.

They improved on that the following season, 2022-23, arguably the club's most successful, with a first team double, winning automatic promotion to the Premier Division by becoming champions, their first ever semi-professional title, then adding the First Division Champions Cup, reserves won the Altrincham District FA Senior Cup, Sunday team champions of the Stockport Sunday League, Division Two. Junior section a club record 13 trophies.

Sacha Lord, co-founder of the music festival Parklife and The Warehouse Project, in May 2023 joined the Board and installed as Chair in June 2023. Barratt, appointed as Chair in 2019, remained on the Board as Vice-Chair.

## Today's Opponents ***Wythenshawe FC***

In June 2023, the club changed its name, dropping 'Amateurs', becoming Wythenshawe Football Club, with the playing name Wythenshawe, there was also an alteration to the club crest to reflect the change.

The club's purple patch continued in 2024, with a club record 21 trophies, the first team winning back-to-back titles and promotions, as Premier Division champions, being promoted to the Northern Premier League, the club's highest ever level. Women's team, managed by James Mulvihill, winning the quadruple, NWWRFL Division One South champions, winners of Lancashire FA Challenge Cup, Altrincham District FA Senior Cup and Division One Champions Super Cup. Sunday team double, champions of the Manchester Amateur Sunday Football League, Division 1 and Memorial Cup winners. Veterans teams, Over 35's & Over 45's champions of the Cheshire Veterans Football League, Division 3 & Division 1 respectively. Junior teams winning 12 trophies.

Their stay in the Northern Premier League was short-lived, returning to the NWCFL after one season, suffering their first relegation in the club's 80 year history.

While the Women's team went in the opposite direction, back-to-back titles, promotions, in North West regional football, to the Women's National League.

# Chadderton FC Womens Team

The latest from the Womens Team, courtesy  
of Manager Sophie Julien...

“We gout ourselves back to winning ways with a comfortable 4-0 victory last weekend, after a couple of postponed games due to the weather.

With nine games remaining, we are hoping for a string end to the season and hopefully a top-half finish.

We are still growing our Womens sides at the club and always looking for new players and coaching staff, if anyone is interested, please get in touch”

# Chadderton FC Reserves Team

Reserve Team Manager, Anthony Hall, provides the latest news from our Reserves squad...

“Unfortunately last week, we fell short in the County Cup final, to a strong Corinthians side. Mistakes cost us dearly and we ended up on the wrong side of a 7-2 drumming. We now have to use this experience as a learning exercise for our young team.

One of the positives from the game was a brilliant solo goal from Naphtali Kyei, which was great to see.

We have plenty of games left in our season, so focus now is on continuing to improve and finish strongly.”
