Safeguarding our Members

Mersham Sports Club (The Club) is committed to ensuring all members participating in club activity have a safe and positive experience.

We do this by:

- 1) Putting things in place
- 2) Having the Right People in Place
- 3) What do you do if you have a concern?
- 4) Sport Specific Guidance

1) Putting things in place

We recognising all members participating in sport (regardless of age, gender, race, religion, sexual orientation, ability or disability) have the right to have fun and be protected from harm in a safe environment.

We ensure individuals working within sport at, or for, our club provide a welcoming, safe, and fun experience for members.

We provide an environment where the views of members, parents and volunteers are sought and welcomed on a range of issues. This will help us create an environment where people have the opportunity to voice any concerns (about possible suspected child abuse/neglect, and/or about poor practice) to the Club Safeguarding Officer

We Adopt and implement the Safeguarding Policies issued by National governing bodies for our sports.

We ensure all individuals working within sport at, or for, the club are recruited and appointed in accordance with NGB guidelines and relevant legislation.

2) Having the Right People in Place

Appointing a Club Safeguarding Officer and Officers for each sport making our 'Safeguarding Team' ensuring they attend training modules required by the NGB's.

Our Club Safeguarding Team's details are below.

Club Safeguarding Officers' Role

As the first point of contact for members, parents, children and volunteers/staff within the club - As a local source of procedural advice for the club, its committee and members.

As the main point of contact within the club for the NGB's County Safeguarding Officer and the National Safeguarding Teams.

As the main point of contact within the club for relevant external agencies in connection with child safeguarding. Ensuring correct and comprehensive reporting procedures exist for raising and managing safeguarding concerns.

3) What do you do if you have a concern?

We ensure all suspicions, concerns and allegations are taken seriously and dealt with swiftly and appropriately.

We ensure access to confidential information relating to safeguarding matters, is restricted to those who need to know, in order to safeguard members – including the Club Safeguarding Officer and the appropriate external authorities, such as the Local Authority Designated Officer (LADO), as specified within NGB safeguarding procedures.
