

Teamo: club payments and setting up a Direct Debit with GoCardless

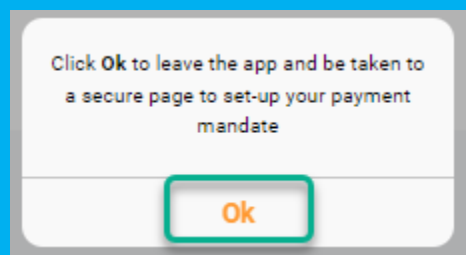

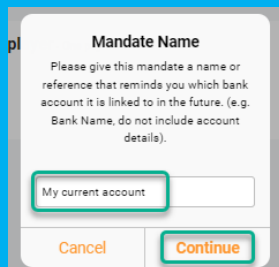

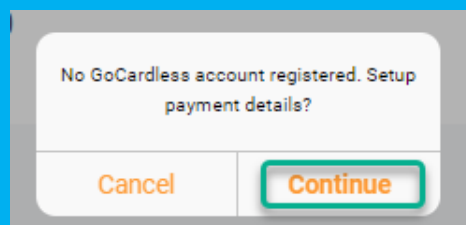

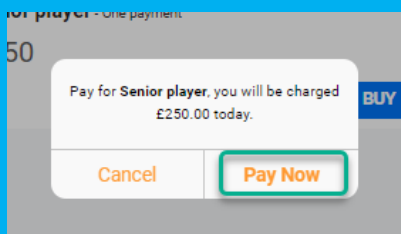

The first step is to set up a Direct Debit to the club account, this can be done in conjunction with making your first payment. The payments menu is accessed from the profile button at the top left of the app or desktop.

For memberships, you'll see the range of options. You can select the instalment option from within the membership category relevant to you / the player.

Click 'Buy' and next you'll be prompted to set up a mandate via GoCardless

Please note that setting up a subscription payment will only apply to the current season, and is not an open-ended commitment for future seasons.

If the process is successful you will see the 'pending' message next to the payment details.

You're done! The payment is not immediate, it takes a few days for your bank to acknowledge the DD and for the first payment to go through.

The 'pending' message will continue to display during this time

Any questions, please contact the Treasurer team: Stephen Brown; Kath van Beveren or Tori Mossford via Teamo chat.

We may not respond immediately, but we'll get back to you as soon as possible. Thank you!
